Specific Package Details:

Our officiant will conduct your spiritual or civil ceremony and customize (personalize) to your wishes.

- Wedding ceremony is available at approved beach locations, hotels, and gazebos just about any place you love along the Atlantic Ocean here in South Carolina. We will travel to the location of your choice.
- The ceremony will be beautifully scripted, choreographed and presented.
- Your wedding site will be selected and prepared by us to ensure as much privacy and cleanliness as possible (usually raked with heart in sand).
- We will complete, notarize and file your marriage license with the courthouse AFTER the ceremony is completed. (By law, we are not permitted to obtain your marriage license for you – it is just like getting your Driver’s License. Your wedding planner will instruct you how to apply for your South Carolina license which must be done in person).
- You have unlimited phone and e-mail consultation with us to find your wedding site, reception site options, hair stylists, or whatever it takes to make you happy.
- “What if it rains guarantee”. We will work with you to ensure the ceremony and photos are a memory that are positive and wonderful. If the rain is too severe to simply wait out the storm, the wedding may be moved inside to your reception area where we would still be able to set your ceremony.
